a translated text is laced with interpretive assumptions by focusing on the septuagint j ross wagner highlights the creative theology hidden in translation his model couples patient investigation of the act of translation with careful attention to the translated texts rhetorical features wagner focuses upon isaiah s opening vision clarifying its language elucidating its character and contextualizing its message reading the sealed book demonstrates how such translations serve as distinctive contributions to theology and reveal the contours of jewish identity in the hellenistic diaspora

the handbook of translation and cognition is a pioneering state of the art investigation of cognitive approaches to translation and interpreting studies tis offers timely and cutting edge coverage of the most important theoretical frameworks and methodological innovations contains original contributions from a global

group of leading researchers from 18 countries explores topics related to translator and workplace characteristics including machine translation creativity ergonomic perspectives and cognitive effort and competence training and interpreting such as multimodal processing neurocognitive optimization process oriented pedagogies and conceptual change maps out future directions for cognition and translation studies as well as areas in need of more research within this dynamic field

discusses the reasons europeans settled in america the growth of the original colonies and the reaction to the newcomers of the people already living in the new world

mark s gospel is much maligned for its redundancy and stylistic sloppiness but is this indignity justified the answer to this question hangs not only on the genre of this work but also on the life setting of its target audience rather than unwitting slip ups of an inept writer mark s narrative repetitions and temporal dislocations are better understood as rhetorical strategies for a didactic oral performance there is method to mark s madness and the method maps his meaning in recent decades some scholars have become enamored with what they see as a generic affinity between mark s gospel and fictive literature particularly ancient romance novels could this be the method behind mark s madness this book offers readers an exciting and profitable journey into two story worlds that likely share a common historical cultural setting mark s gospel and chariton s passion of love analyzing these works from the vantage point of narrative sequence starner identifies two contrasting worldviews for chariton the world is controlled by the goddess aphrodite who serves as a powerbroker distributing political economic and sociological power to agents who use that power for self serving ends for mark the world is governed by an all powerful god who shockingly operates from a posture of powerlessness inviting not coercing humans to accept his lordship and urging them to adopt the self sacrificial service oriented program of living that finds its quintessential expression in the historical jesus of the gospels
