divide and conquer is a study in rightly dividing the word of truth ii timothy 2 15
the study demonstrates the diametric opposition between the law program
that the nation of israel entered into with god and god s response to her
generations of rebellion to the benefit of all mankind who choose surrendering
faith over their own works of righteousness for salvation there is only futility
and confusion that believers suffer from when they try to apply the program
and promises from a different people to their lives what an unfortunate blow
to one s faith it is to feel as though god is not answering their prayers to feel
like they cannot understand the bible and to feel like something is wrong with
them but most damaging is that the love they may have had for the holy
scriptures at one time diminishes as they struggle from a weak understanding
god himself fully intends that the excellency of his power work in our inner
man through the right understanding of his word

some sermons on the subject of god's amazing grace but i am also sure that none of those sermons not one of them contained the wealth of ideas and illustrations that are the hallmark of these chapters in jim's book i have often thought while reading the manuscript of this book how great it would have been all those years ago to have had this book as a resource i could have turned to before attempting to write my own sermons i know my sermons would have been better if i had so preachers be sure this volume is on your shelves now you will turn to it often over the years and be thankful you have it it will enrich every effort you make to share the wonderful grace of god with your needy congregation dr john r killinger warrenton virginia
